Hi Rob,

Let's tentatively hold May 19th. However, prior to confirming this date, and as we have discussed, EPA would like to review how you intend to reduce uncertainty in the COPC mapping approach. The presentation you submitted on 4/15 did not address this question.

Thanks,

Stephanie

Stephanie:

As we have discussed, the CPG would like to have the follow-up to the March 11 meeting on COPC Mapping. The CPG team is available on May 5, 8, 18 & 19 to meeting with EPA.

Please let me what works for the EPA Team.

Thanks

R/

Rob
